

“Arts in the Park”
 July 18 & 19, 2020
InletArtsinthePark.com

Updated 7/15/20

Please note that we are social distancing in Arrowhead Park, and that face coverings are required when you are not able to social distance with people outside of your group, which includes when you are in and around any of the vendor booths. Hand sanitizing stations have been installed around the park and the restroom building is open to help you keep your hands clean.
