

2019 Ping Pong Ball Drop Thank You!

The Town of Inlet and the Inlet Youth Commission would like to thank everyone who was involved for making our 43rd Annual Ping Pong Ball Drop another success! The hundreds of children who attended this event were each able to collect five ping pong balls that they traded in for prizes donated by area businesses. Prizes included gift certificates, toys, drinks, snacks and novelty items. The novelty items, drinks and snacks were all purchased with monetary donations.

The Town of Inlet parked their lift on the ball field and we were able to toss the balls from the bucket while it was maneuvered back and forth.
