

**All directions to trailheads are given from the Inlet Town Hall where the Inlet Information Office is open every day for weather advisory and advise on route.**

**1. Fawn Lake off Parkhurst Road**

Travel north on Route 28 for .75 mile, turn right onto Limekiln Road, travel 2 miles and turn left onto Parkhurst Road (.75 mile dead end road). The trailhead is .06 of a mile from the far left driveway. The trail is flat and easy, 3/4 of a mile in length or 1.5 miles round trip. The trail winds through beach forest and opens up on to a small mountain lake. This lake freezes early but caution must be taken if you wish to explore the frozen surface.

**2. Rocky Mountain off Route 28**

Travel .75 mile south. The trailhead is on the right. This parking area is the same for both Black Bear Mt. and Rocky Mt. This is an easy .5 mile climb to the top with very little areas that will ice cover. The views from here for sunset and sunrise can be spectacular.

**3. Black Bear Mountain off Route 28**

Travel .75 mile south. The trailhead is on the right. This parking area is the same for both Black Bear Mt. and Rocky Mt. This trail is intermediate and 2.3 to 2.5 miles in length. This trail has a steep ascent from the first Y on the right (Blue Trail) and an

intermediate ascent on the second right Y.

**4. Windfall Pond and Great Eight Lakes off Big Moose Road**

Travel south on Route 28 for 1 mile to Eagle Bay, then turn right onto Big Moose Road. 5.3 miles to the trailhead parking lot for Windfall Pond on the right. This trail is easy to intermediate and is only 1.2 miles to Windfall Pond, then 2.3 to Chain Ponds. Larger loops can be made to Mays Pond 4.5, Chub Lake 5.1, Constable Pond 5.4, Pigeon Lake 8.7, Otter Pond 12.4 miles. All intermediate.

**5. Rondaxe (Bald) Mountain off**

**Rondaxe Road** Travel south on Route 28 for 6.2 miles, turn right onto Rondaxe Road. Travel just over .1 mile to trailhead parking on left. Trail is 2 miles to the summit. This is upper intermediate and has some areas on the hogs back that can ice over.

**6. Limekiln Campground and Old Dam Nature Trail off Limekiln Road**

Travel north on Route 28 for .75 mile. Turn right onto Limekiln Road. Travel 2 miles then turn right onto Campground Road. Parking is at campground entrance. This system of roads is shared by snowmobile, cross-country ski and snowshoe, but is usually not busy. This trail is easy and has almost 7 miles of winding loops along the road surface. The Old Dam

Nature trail loop, located near campsite 98 on the back side of the leach field, will add another 1.3 miles. You can also access the Third Lake Creek Trail from here.

**7. Third Lake Creek Trail off South Shore Road**

Travel 40 yards north on Route 28 then turn right onto South Shore Road. Travel 7 miles to the parking area for Third Lake Creek Trail on the left. This trail is long. 9.1 miles to Limekiln Lake but fairly flat.

**8. West Mountain Shallow Lake from Raquette Lake Village**

Travel north on Route 28 for 10 miles turn left at the Raquette Lake School towards Raquette Lake Village, then onto Antlers Road. Park at the trailhead for West Mountain. This trail is a steep and difficult 5.2 mile climb up West Mountain, with very little view. Connection can be made to loop trails to Shallow Lake 6.3 and Browns Tract Pond. 3.1 and trail to Windfall Pond on Big Moose Road 17.4 miles.

**9. Fern Park off South Shore Road**

Travel 40 yards north on Route 28 then turn right onto South Shore Road. Fern Park is the second left and has many miles of trails that range from easy to difficult. A detailed map of Fern Park is available through the Inlet Information Office.
